

Mr. KLINE. Mr. Speaker, I yield myself such time as I may consume only to thank my colleague from Texas (Mr. HINOJOSA) and, of course, the chairman of the full committee, the gentleman from Ohio (Mr. BOEHNER), for their support on this very important bill and again to encourage all of my colleagues to pass this pro-parent, pro-child bill.

Mr. MURPHY. Mr. Speaker, I want to convey my appreciation to my distinguished colleague from Minnesota, Congressman JOHN KLINE, for his deep concern about our Nation's youth. I thank him for offering this legislation, and I also thank the distinguished Chairman of the Education Committee for his work. Let me be clear that I support H.R. 1790.

Mr. Speaker, during my career in elected office, I have worked to raise awareness that mental illnesses are real and they must be dealt with. Patients diagnosed with psychological disorders, like depression, have higher rates of chronic medical illness and use health care services more often. Untreated depression costs employers more than \$51 billion per year in absenteeism and lost productivity, plus even higher medical and pharmaceutical costs. I have seen first-hand that medication can, indeed, be very successful to depression patients, especially when it is accompanied by proper psychotherapy by a trained and licensed professional.

That notwithstanding, I am concerned about some schools coercing parents to medicate their children without medical justification—exactly what this legislation aims to prevent. When I saw child patients as a psychologist, I was once strongly pressured by a school administrator to recommend medication for students. That sort of pressure is unethical, not to mention potentially leading to harm for children.

While I support H.R. 1790, please allow me to raise one concern that we should keep in mind as the bill moves forward. This bill would make Federal education funding to States contingent on their establishing a policy to prohibit school personnel from requiring a child to be medicated in order to attend school. I am concerned that an unintended consequence of this requirement would be that teachers will be less likely to report legitimate mental health illnesses and needs out of a fear of losing Federal funds.

The current language that would call for a GAO study does not address this problem. I believe, instead that the study should focus on schools that actively influence parents to have their children receive controlled substances. I have shared language that provides this focus with the author of the bill, and I know we can work together with our colleagues to adjust the direction of the GAO study.

Ultimately, we should be doing all we can to encourage parents, teachers and health personnel to communicate with each other whenever there are concerns about children. Our job is to support that communication in every way possible. Nothing in this bill should be construed to limit that important relationship.

Mr. KLINE. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. COLE of Oklahoma). The question is on the motion offered by the gentleman from Minnesota (Mr. KLINE) that the House suspend the rules and pass the bill, H.R. 1790, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds of those present have voted in the affirmative.

Mr. KLINE. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this question will be postponed.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 3 o'clock and 46 minutes p.m.), the House stood in recess until approximately 6:30 p.m.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 1065, UNITED STATES BOXING COMMISSION ACT

Mr. LINCOLN DIAZ-BALART of Florida, from the Committee on Rules, submitted a privileged report (Rept. No. 109-295) on the resolution (H. Res. 553) providing for consideration of the bill (H.R. 1065) to establish the United States Boxing Commission to protect the general welfare of boxers and to ensure fairness in the sport of professional boxing, which was referred to the House Calendar and ordered to be printed.

NOTIFICATION OF INTENTION TO ENTER INTO AGREEMENT ON TARIFF TREATMENT FOR MULTI-CHIP INTEGRATED CIRCUITS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 109-70)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on Ways and Means and ordered to be printed:

To the Congress of the United States:

Consistent with section 2103(a)(1) of the Trade Act of 2002, I am pleased to notify the Congress of my intention to enter into an agreement with the European Union, Japan, the Republic of Korea, and Taiwan on tariff treatment for multi-chip integrated circuits. Multi-chip integrated circuits are semiconductor devices used in computers, cell phones, and other high-technology products.

United States-based companies are the principal suppliers to the world of multi-chip integrated circuits. In 2004, global sales of finished multi-chip integrated circuits were estimated to be \$4.2 billion, and U.S. semiconductor companies account for roughly half of those sales.

The United States, the European Union, the Republic of Korea, and Taiwan will apply zero duties on these products as of an agreed date. The target date for entry into force of the Agreement is January 1, 2006. Japan already applies zero duties on these products and expects to ratify the Agreement formally in 2006. Further, although all major producers of multi-chip integrated circuits will be parties to the Agreement, we will seek to build on this Agreement by joining together to work in the World Trade Organization to increase the number of countries granting duty-free treatment to these products.

GEORGE W. BUSH.
THE WHITE HOUSE, November 14, 2005.
